The quiet scene on the cover will not look familiar to many who boat to this harbor often in the summer. It is Quisset. In season, this beautiful, protected anchorage is filled to its capacity with boats of all type and from so many ports. Quisset is such a pleasant day sail from Mattapoisett or Marion that almost any sail will find a friend in the harbor. Even in winter the beauty that attracts is still apparent and the walk down the nature trail to the knob is popular. That feature, below, is a scenic outlook left by the glacier which marks the spot.

Police Recover Stolen Property

Climaxing a month-long investigation of a series of about 20 housebreaks in Mattapoisett since last year, Mattapoisett Police have recovered from a home on Water Street, Mattapoisett, 8 truckloads of personal property of an estimated $100,000, including many, many antiques.

Det. Sgt. Edwin Pina and Officer Mary Lyons have been investigating, and entered the home on 18 Water Street with a search warrant on Monday, March 7th.

Lt. James Santos said that as the

Det. Sgt. Edwin Pina and Officer Mary Lyons, both investigators on the thefts, are now cataloging the recovered articles at the Town Hall Conference Room in preparation for their return to owners.

officers went through the home they recognized many of the antiques that were missing in the housebreaks that had occurred, many in the central village area and north of the town center.

The officers arrested Greg G. Bussiere, who occupies the home. Bussiere, a painting contractor, was charged with 3 counts of receiving stolen property, possession of a Class D substance (marijuana), possession of electronic devices with serial numbers obliterated and possession of ammunition without a license.

The recovered goods were removed from the house by police who filled 8 trucks to take the material to the Town Hall so that they can be inventoried and displayed for owner identification.

Lt. Santos said that never in his police experience had so much property been recovered in one location. The items were arranged as furnishings in the rooms of the Water Street house, and included chairs, paintings, rugs, golf equipment, power

son, 14.

Of the Democrats running, Michael S. Dukakis received 438 votes; Richard Gephardt, 37; Albert Gore, Jr., 19; Gary Hart, 14; Jesse Jackson, 94; and Paul Simon, 11.

Running for the Republican State Committeeman from the Plymouth/Bristol District was Carleton Burr of Mattapoisett, who received 416 votes in Mattapoisett. Others running for this office were Harold E. Ballau with six votes, Roger P. Provost, five votes; and Richard W. Robinson, five votes. Running as State Committeewoman was Jean A. Carter with 358 votes in Mattapoisett.

On the Democrat ballot, State Committeeman from the Bristol/Plymouth District was Theodore J. Aleixo, Jr. with 118 votes in Mattapoisett; William M. Straus of Mattapoisett who received 430 votes in Mattapoisett. State Committeewoman running on the Democrat ballot was Barbara A. Travers with 469 votes in Mattapoisett.

Mrs. Ennis gave the new voter tabulator high marks which was used for the first time. She noted, judging by the comments heard from voters, that the new machine was very well received.

"We had the unofficial count within three minutes after the polls closed at 8 p.m. and the official count tabulated within 15 minutes. In past elections we would have been hand counting until 10 p.m."

The Town Clerk said there will be a little more of a problem with the April 5th Town Election because there are at least two who are seeking the five-year Planning Board office with stickers. "We will have to count them by hand, but the other offices will be known within min-

Tri-Town Herring Meeting

REPORT OF HERRING INSPECTOR
VIRGINIA MORGAN

Antone J. Nunes, Mattapoisett Herring Inspector, reported on the recent annual Tri-Town herring meeting held at Mattapoisett Town Hall, conducted this year by Selectmen Chairman John N. DeCosta.

Mr. Nunes said the vote was taken to reduce the number of days the herring run would be open, from three days per week to two days per week, with those days being Tuesday and Saturday. "I objected to the reduction in the number of days", said Mr. Nunes, who noted Homer Robinson, Marion's Herring Inspector, and William D. Watling, Rochester's Herring Inspector, voted in favor of the reduction.

Marion Selectman Richard Lagreze and Rochester Selectmen David Hughes also attended the meeting which not only served as the annual meet-

ing but was called to answer a request from a private group named Alewives Anonymous, Inc., Arthur Lionberger of Rochester, secretary, to close the fisheries for two life cycles (a six-year period).

Chairman DeCosta said the issue was discussed but no one made a recommendation to approve the change. The private group claimed the species is being overfished.

Mr. Nunes said, "We've always had a good run. There have been some good runs on days when we aren't there to catch it. I don't go along with the vote to catch only twice a week and certainly don't go along with the suggestion to close the run for six years." Mr. Nunes has been a Herring Inspector for 23 years and feels he's qualified to judge how the herring are running. "I say we don't have a problem in Mattapoisett; the problem is in Rochester."

The Herring Inspector said the run is expected any day now; "We've had some scattered ones already. I plan to post a sign at the run saying only two days for catching - Tuesday and Saturday. Also, I plan to talk to the

Men's Fellowship Breakfast

Scott Cowell of Ducks Unlimited will present a talk and film on conservation of wildlife and restoration of the environment at the St. Gabriel's Men's Fellowship Breakfast this Sunday, March 20th, at St. Gabriel's Parish Hall, Front and South Streets, Marion. The breakfast is at 8:30 a.m. (early bird coffee at 8:15).

Mr. Cowell will discuss the Ducks Unlimited organization and present a short film, "Marshwalker", which focuses upon wetlands and the need to preserve them. This will be followed by a question and answer period on the Ducks Unlimited program of conservation of wildlife and the environment. D.U. sponsors projects that restore the natural duck habitat. This conservation/restoration is also beneficial for beaver, moose and fish. D.U. provides matching funds for States that undertake conservation projects. For example, D.U. is involved in the Pantry Brook Marsh estuary project in Salisbury, MA.

Project GROW

SPEAKER SERIES CONTINUES

Project GROW's speaker series for parents and early childhood professionals continues next week with three different sessions.

Selecting High Quality Child Care and Pre-school Programs

On Monday evening, March 21st, Pam MacPherson of PACE Child Care Resource Exchange, New Bedford will present "Selecting High Quality Child Care and Pre-school Programs". More and more parents are faced with this choice and Pam will present helpful guidelines in making this very important decision. All parents of young children are invited to attend. This session will take place in the offices of the Marion Visiting Nurse Association in the Sippican School, Marion and will begin at 7:30 p.m.

scribe the variety of learning situations that occur in the classroom that never "come home on paper". A panel of local staff people, representing grades K-8, will be available to answer more specific questions that parents may have about local school programs. Here's an ideal opportunity to find out more about what goes on in our schools. The session will take place at the Rochester Memorial School on Thursday, March 24th, and begins at 7:30 p.m. All area parents are encouraged to attend.

Classroom Design and Structure

Last in a series for early childhood professionals, "Getting Back to Basics - The Developing Child", Maureen Berman of Scituate will offer the very basic, practical information teachers need to implement a developmentally appropriate curriulum in the classroom. Teachers are encouraged to come with very specific questions. This working session is scheduled for Thursday, March 24th, at 3:30 p.m. at the Rochester Memorial School.

For more information on any of these sessions call Project GROW (748-0100).

wide network of walking clubs has been initiated. Persons interested in starting a Walking Club in their community are trained and certified as leaders. Club members receive "Keep Moving" walking manuals and passports to log their times and distances walked. A regular program of brisk walking prevents and manages several major health concerns of older people - coronary heart disease, hypertension, obesity, diabetes, anxiety, depression, arthritis, and osteoporosis.

A regular walking program can slow down the aging process and add years of vigorous living. It helps control weight. It tones muscles that would otherwise be flabby and it helps maintain a sense of balance and agility, lessening the likelihood of injuries from falls or accidents. And it improves self-image and a sense of self-reliance. Most important it feels good!!

There will be a meeting on March 24th at noon for anyone interested in information on the Walking Club, at the Marion Visiting Nurses' Office, 16 Spring Street, Marion.

ADDITIONAL EARNINGS MAY MEAN HIGHER BENEFITS IN SOCIAL SECURITY

A person who returns to work after beginning to get Social Security retirement benefits may qualify for higher benefits because of the additional earnings.

It is not necessary for the worker to take any action if his or her earnings would result in higher benefits. Social Security automatically refigures the benefit rate after the earnings are credited to the worker's record.

People should, however, notify Social Security if they expect to earn more than the annual exempt amount. Earnings over the exempt amount result in the withholding of a person's benefits. In general, $1. in benefits is withheld for each $2. of earnings over the exempt amount.

The exempt amounts are $6,120 for people under 65 for all of 1988

and $8,400 for people 65 through 69. There is no limit on earnings for people 70 and over.

In addition, a worker's benefit can be increased by 3 percent a year (¼ of 1 percent a month) that the worker does not get benefits after 65. Starting for people who reach 65 in 1990 and later, the credit will be gradually increased until it reaches 8 percent in 2009. The credit also applies to widows and widowers.

More information about the effect of work and earnings on Social Security benefits can be obtained at any Social Security office, or call the Council on Aging office at 758-3758 between 9 and 1 Monday through Friday.

MATTAPOISETT COUNCIL ON AGING

Here are the major trips that we have planned for the balance of the year, at least up to November. Our trip planners want you to know that these trips are not limited to Senior Citizens, but are open to all as long we have seats available. We naturally desire to serve our Seniors first, but they must get their reservations made in time so that any extra space may be made available to others.

Washington, D.C.: 4 days, April 11, $299., two to a room. We publicized this trip in the Presto of February 3rd. Brochures are available in our office. If any seats are still available, a telephone call (758-2758) will let you know at once.

Mackinac Island -- Great Lakes, 8 days, July 25; $699., two to a room. This is a wonderful, diversified trip. The first night you stay

WARNING
FISHINGITIS

This disease is extremely contagious, and may be spread by observation, personal contact, television, radio and many other means of communication.

SYMPTOMS

Victims of Fishingitis continually complain of needing fresh air, sunshine, outdoor relaxation and the need to get-away-from-it-all. They become restless and wake up in the early hours of the morning for no apparent reason. Their eyes have a dreamy, far-away look in them, and they often mumble to themselves. They have no taste for work of any kind, but have a strong craving for water - particularly clear, cool lakes. They frequently visit tackle shops. They converse secretly with friends, and can be seen moving their arms in simulated casting motions. They are often seen reading catalogs, and fishing and outdoor magazines. They also keep close track of weather reports with strong attention paid to barometric pressures.

TREATMENT

QUESTION:

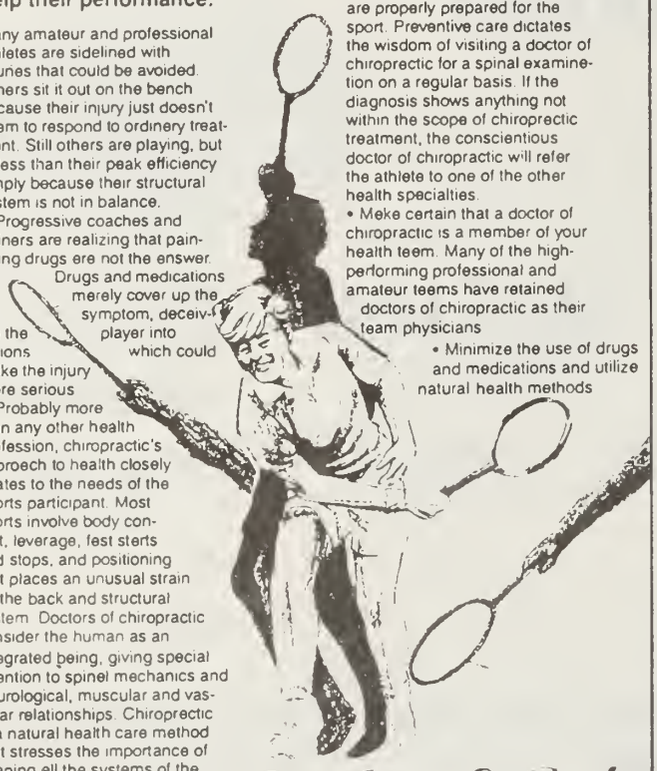
WHY SHOULD ATHLETES HAVE CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: Because it can help their performance.

Many amateur and professional athletes are sidelined with injuries that could be avoided. Others sit it out on the bench because their injury just doesn't seem to respond to ordinary treatment. Still others are playing, but at less than their peak efficiency simply because their structural system is not in balance.

Progressive coaches and trainers are realizing that pain-killing drugs are not the answer. Drugs and medications merely cover up the symptom, deceiving the player into actions which could make the injury more serious.

Probably more than any other health profession, chiropractic's approach to health closely relates to the needs of the sports participant. Most sports involve body contact, leverage, fast starts and stops, and positioning that places an unusual strain on the back and structural system. Doctors of chiropractic consider the human as an integrated being, giving special attention to spinal mechanics and neurological, muscular and vascular relationships. Chiropractic is a natural health care method that stresses the importance of keeping all the systems of the body functioning efficiently, so the player enjoys peak performance, a minimum injury risk and fast recuperative powers.



Here's what you can do:

- Make certain that your athletes are properly prepared for the sport. Preventive care dictates the wisdom of visiting a doctor of chiropractic for a spinal examination on a regular basis. If the diagnosis shows anything not within the scope of chiropractic treatment, the conscientious doctor of chiropractic will refer the athlete to one of the other health specialties.
- Make certain that a doctor of chiropractic is a member of your health team. Many of the high-performing professional and amateur teams have retained doctors of chiropractic as their team physicians.
- Minimize the use of drugs and medications and utilize natural health methods.

INVITATIONAL MATH EXAM

Patrick Wetmore, a junior at Old Rochester Regional High School, has qualified for the American Invitational Mathematics Examination for the second consecutive year. In order to qualify for the second level examination, a student must rank in the top one percent nationally on the American High School Mathematics Examination.

Patrick is an outstanding student in mathematics at Old Rochester, a co-captain of the Math Team, and last year posted perfect scores (800) on both the SAT (Math) and the Level II Mathematics Achievement test.

Other top scorers for ORR on the AHSME were in order: Joshua Pond, Greg Horan, Stephen Fletcher, Vicki Hiller, and Tim Titcomb.

STUDENTS VISIT AUTOMOTIVE PROGRAM

Recently the Old Colony Regional Vocational Technical High School Automotive students toured the new A.S.S.E.T. (Automotive Student Service Educational Training) Program. The program is offered at Blackstone Valley Vocational High School and Quinsigamond Community College. The students were introduced to this new type of Post Secondary Training which is now offered to any vocational-technical students who wish to continue their education in the Automotive field after graduation. This two year, full-time program is designed for students, male and female, who have a career interest in the Automotive field. The program's demanding nature means the student must be willing to make a major commitment to both work and study for the

two year period including two full spring semesters and one summer session. Upon graduation, the students will have earned a A.A.A. degree in Automotive Technology.

The field trip was sponsored by Old Colony's School Improvement Council.

SKI CLUB

During February vacation the Old Colony Ski Club skied Mt. St. Anne in Quebec, Canada. The four-day trip included 3 days of skiing on one of the largest mountains in eastern Canada. Many of the students had the opportunity to tour the Old City of Quebec. This is the fourth year the ski club has visited Canada.

The club is planning to finish the ski season with a day trip to Mt. Sunapee in New Hampshire this month.

TEACHER SELECTED TO PARTICIPATE IN SCIENCE WORKSHOP

Mr. Thomas Hesketh, a science teacher at Old Colony Regional Vocational Technical High School, has been selected to attend a three-day laboratory safety workshop at Cabot's Technical Center in Billerica, MA.

The workshop is sponsored by the Cabot Corporation and was developed by the National Institute of Occupational Safety and Health and the Council of State Science Supervisors.

The program will provide a comprehensive review of laboratory safety fundamentals as well as advice on setting up a safety program for schools. The workshop will be directed by Dr. James A. Kaufman, a lab safety consultant and Professor of Chemistry at Curry College in Milton, MA.

S.M.U. Theatre Company

"THE HOUSE OF BLUE LEAVES" AT SMU MARCH 24-27

The absurdist comedy, "The House of Blue Leaves", will be presented by Southeastern Massachusetts University's Theatre Company at 8 p.m. March 24-27 in the Campus Center auditorium.

The Pulitzer Prize-winning play focuses on the zany Shaughnessy family--which includes a zookeeper father with dreams of show business celebrity and a mother who sometimes confuses Brillo pads with hamburgers--and their reactions to news of an impending visit from the Pope.

Tickets for the production are $4. for the general public and $3. for SMU students and senior citizens.

Black Spring Theatre Company TO PRESENT "PRIVATE LIVES"

The Black Spring Theatre Company will present the play "Private Lives" by Noel Coward opening Thursday, March 24th, with additional performances on March 25th, 26th, all at 8 p.m. There will be a Sunday matinee on March 27th at 3 p.m. and two evening performances on April 1st and 2nd.

"Private Lives", perhaps Coward's most successful comedy, centers around Elyot and Amanda who can't seem to stay in the same room without fighting tooth and nail. Married and divorced, the play's opening finds them honeymooning with their new mates in adjoining suites. When they discover each other the fireworks start.

The production is directed by Sam Bryant and the assistant director is Jenny Bryant. The cast is Sam Bryant as Elyot Chase, Karen Carr as Amanda Prynne, Paul Fonseca as Victor Prynne, Ellen Ostneberg as Sibyl Chase and Liv Haines as Louise.

Tickets are priced at $7. and $5. for the evening performances, $5.50 and $3.50 for students and senior citizens. Matinee tickets are $6. and $4., $5. and $3. for seniors and students. The theatre is located at 350 Main Street, Fairhaven

The Big Brother/Big Sister Program matches children with carefully screened adult role models. Ninety-seven percent of the children in the program are living in single parent households. Over 90 percent are AFDC recipients. The children are lacking positive role models. They have experienced rejection many times in their short lives and often live in neighborhoods where drug and alcohol abuse are prevalent.

If you would like to be a part of this volunteer effort please contact New Bedford Child and Family Service at 996-8572. New Bedford Child and Family Service is a United Way Agency dedicated to strengthening the lives of children and families.

ANNUAL MEETING

William Eichbaum, Undersecretary of the Massachusetts Executive Office of Environmental Affairs, was the keynote speaker at the third Annual Meeting of the Lloyd Center for Environmental Studies on March 3rd. The topic of his talk was COASTAL PROTECTION IN SOUTHEASTERN MASSACHUSETTS. In addition to Mr. Eichbaum's presentation, the meeting of the Lloyd Center membership included election and reappointment of Board of Directors members. The Annual Meeting was held at the Congregational Church in South Dartmouth.

Also speaking at the meeting was Kevin Champagne, President of the Board of Directors, and Dr. Alan Lee Hankin, Executive Director of the Lloyd Center. Mr. Champagne highlighted some of the accomplishments of the Lloyd Center over the past six years including work with thousands of school children, tens of thousands of visitors and numerous research projects. The work of the Center as a resource to the communi-

Patients who have heart disease, have had a heart attack, or have had heart surgery and their family members and friends will benefit from the support group.

Members of Tobey's Cardiac Rehabilitation Team will offer participants information on a variety of related topics. They include:

- What to Expect After Your Heart Attack or Heart Surgery.
- Understanding Your Risk Factors for Heart Disease.
- The Effects of Medications Used to Treat Heart Disease.
- The Importance of Stress Management and Relaxation.
- Cholesterol and Your Heart, or How Diet Affects Heart Disease.
- Cooking the Low-Fat Way and Enjoying It.
- Exercise and Your Heart; How Much Can I Do.

The next six-week session begins on Wednesday, April 13th. The group meets at the hospital from 6:30 to 8:30 p.m. on Wednesday evenings in the hospital cafeteria. To register for the new cardiac support group, contact the Rehabilitation Department at 295-0880, X361 or X368.

"NORDIC TRACK" DONATED TO TOBEY

Patients in Tobey Hospital's Physical Therapy Department will benefit from new therapeutic equipment, thanks to the generosity of Judge Baron Martin of Wareham.

Judge Martin, who has been a patient in the department, donated a "Nordic Track", a stationary machine that simulates the upper and lower body motions of cross country skiing. According to Janet Gillis, PT, director of Rehab Services, the "Nordic Track" provides excellent conditioning and rehabilitative therapy, for problems ranging from sports injuries to heart disease.

The equipment is useful for both upper and lower body conditioning, particularly for reconditioning the knee joint after injury or surgery. Patients recovering from knee problems usually have limited range of motion in the injured joint and have difficulty with equipment like stationary bicycles. "Someone who doesn't have enough knee motion to use a bike can use the Nordic Track", said Gillis.

"The services that Tobey offers have benefited me a number of times and I'm glad to be able to give something back that will aid both the hospital and the community. The 'Nordic Track' is an important piece of equipment to have available," said Judge Martin.

"During the past several years we've been making a concerted effort at Tobey to bring new equipment and

Q. IS PASSIVE EXERCISE JUST A FAD?
A. DEFINITELY NOT! Passive exercise is the alternative to strenuous exercise. It has been said by physical therapists that the concept is effective for people with heart problems, artificial joint recipients, arthritics and others. Imagine effortless exercise that provides muscle tone strength, muscular endurance, flexibility, better circulation and inch loss! Call for complimentary visit or just stop in and see for yourself.

the Christian understanding of the New Testament by showing the Jewish background for the Communion celebration. Ancient and modern Jewish customs are discussed and described with an emphasis on the aspect of redemption that Christ accomplished at Calvary.

A table is set with the traditional Jewish Passover items, including representative foods which are explained, but not eaten. Members of the Jews of Jesus group have given this demonstration in over one thousand different churches. It was originally written in 1956 by Moishe Rosen, the founder and executive director of Jews for Jesus. The presentation was abstracted from the writings of the late Rabbi Leopold Cohn, who came to faith in Jesus in 1894 and died in 1936.

Dr. Rosen contends that some of the most important elements of Christian doctrine, such as the Trinity, the principle of substitutionary atonement, and salvation through a personal relationship with the Messiah, are implied in the Seder (Passover feast) as observed by Orthodox Jews even today.

The program is open to the general public and Steve Silverstein will be available to answer questions those attending might have.

SPEECH AND DEBATE TEAM

Tabor Academy's Speech and Debate team returned home from the Catholic District Tournament National Qualifying meet with seven of the District's 21 positions in hand, an impressive performance since no school could qualify more than two participants in any one of the seven events. Those who were chosen to represent the Providence-Fall River Diocese in New Orleans in late May were:

Original Oratory, Cathy Wilson, class of '89; and Sarah Harries, '91; Duo Interpretation, David Coler, '88;

Kirk Moody, '88; Poetry/Prose Reading, Don Angus, '88; Sarah Mycock, '91; Extemporaneous Speaking, Kevin Dickey, '89.

Heather Hall '90 was the first alternate in Dramatic Performance. Tabor had the highest number of qualifiers; nine schools competed.

A week later, Nick Finkelstein '89 from Rochester came back from Bishop Hendriken High School with the first place trophy in the District Lincoln Douglas qualifying meet, with a 5-0 record. Finkelstein was the only undefeated debater during the day, arguing both sides of a resolution calling for broad-based mandatory and random A.I.D.S. testing.

SOUTH SHORE DEBATE LEAGUE TOURNAMENT

The Tabor Debate team successfully defended its first place finish in the year-end tournament hosted in Marion. Teams from Bishop Feehan, Cohasset, Foxboro, Norton and Rockland also competed.

The teams of Kevin Dickey-Matt Maier '89 and Nick Finkelstein-Jeff Chadwick '88 came out on top in the affirmative and negative brackets, with 3-0 and 2-1 records respectively. Finkelstein also received the third place Novice Speaker's Award, while Dickey, Maier and Chadwick took the first, second and fifth place individual trophies in the Intermediate Division.

In the eight rounds of regular season competition, Finkelstein was the top Novice with a 6-2 record, while Dickey and Maier won the first

I'm asking for your support in electing me Highway Surveyor. I've been in business for 17 years and Tree Warden for 14 years. I'm familiar with delegating responsibilities as well as assuming them myself, and also familiar with operating within a modest budget for the tree department. If elected Highway Surveyor I plan to work with and support other department heads and our Selectmen in providing quality and efficient services to all residents.

GIRLS' ICE HOCKEY TEAM

The Tabor Academy's Girls' Ice Hockey team scored four goals in the final seven minutes to defeat a strong Northfield-Mt. Hermon team 8-4. The strong goal tending of senior Linda Myers and Colleen Coyne's 4 goal, 2 assist output led the way for Tabor to end the season at 14-5, with an eight game winning streak, and to finish with a seventh place ranking in New England.

Other highlights of the year were the successful defense of the Holderness School Invitational Tournament at Christmas and an impressive road 3-1 victory over a strong St. Paul's (Concord, NH) School team which had only lost one game at that point. Coyne led the squad with 32 goals and 10 assists, fillowed by four year regular Sarah Sheskey with a 2-10 performance. Other four year performers who helped to initiate the sport at Tabor and who finished their inter-scholastic careers were Co-captian Elke Milhench, Jen Cahalane, and Kendall Garey.

Prospects for next year look strong with goalie Katie Dwyer (.8 goals against average in her last five starts); defensemen Coyne, Kate Diana, and standout Brenna Rockburn; and forwards Sonia Kuchenbauer, Melanie Fitzpatrick, and Alice Babson all returning. With strong prospects moving up from Carl Lovejoy's established JV pro-

Glass Museum Course

An opportunity to learn more about glass history and connoisseurship is the upcoming Knowing Glass, an eight session course beginning April 12th at The New Bedford Glass Museum.

Students will meet each Tuesday and Thursday evening (omitting April 21) at 7:30 p.m. The classes, taught by Museum Director Janie Chester Young, will include slide lectures, hands-on analysis of glass, art, and informal identification of pieces brought in by students. Topics will include glass history; stylistic developments such as Japonisme and the studio movement; fundamentals of connoisseurship; techniques of glassmaking; and glass conservation.

Cost of the course is $45. for members, and $50. for the general public. Registration will be limited to twelve students, so advance reservations are suggested. To enroll, please call Mrs. Demers at 994-0115.

The New Bedford Glass Museum is located at 50 North Second Street in New Bedford's waterfront historic district. Parking is available.

Daffodil Days Festival

AMERICAN CANCER SOCIETY

The Greater New Bedford Unit of the American Cancer Society will get its first touch of spring on Wednesday, March 23rd, when half a million daffodils make their way to New Bedford to celebrate the Seventh Annual Daffodil Days Festival.

Area volunteers will be bringing this first spring flower to the Greater New Bedford residents to raise funds for cancer research, education and service to local cancer patients.

According to David Medeiros, Daffodil Days Chairman, thousands of daffodils from Washington state will be shipped to New Bedford for the festival. "The Daffodil, as the first flower of spring, was chosen because it symbolizes hope and renewed life", Mr. Medeiros added.

Daffodils will be sold at various locations throughout New Bedford including the American Cancer Society office at 37 Taber Street, New Bedford. The donation for a bouquet of 10 flowers is $4.00.

Businesses and employers are encouraged to make advance orders for distribution to their employees or as gifts to hospitals and nursing homes. "Most of the money we raise comes from area businesses," Mr. Medeiros added.

For more information on advance sales contact the American Cancer Society at 996-6262.

ROTCH-JONES-DUFF HOUSE
CLASSICAL GUITARIST TO PERFORM

Charles Mokotoff, classical guitarist, will be featured at the second Spring Concert Series Friday, March 25th, at 8 p.m. at the Rotch-Jones-Duff House and Garden Museum.

With a repertoire ranging from the Renaissance to the 20th century, Charles Mokotoff offers an unusually broad range of programs to a diverse listening audience. In 1987 he made his critically acclaimed New York debut at the Weill Recital Hall at Carnegie Hall and two successful tours of the Far East.

Mr. Mokotoff has been on the faculties of Ithaca College, Ithaca, NY; Wells College, Aurora, NY; and Mansfield State College, Mansfield, PA. Currently he is a Lecturer in Music at Northeastern University in Boston, where he initiated and directs the Classical Guitar Program.

There is no admission charge for the Spring Concert Series, sponsored by Fairhaven Savings Bank. For further information on this and any other Museum event call 997-1401.

For nearly five centuries the Vienna Choir Boys have performed their costumed operettas, sacred songs, secular music and folk music. Founded by Imperial decree on July 7, 1498 by the humanist Emperor Maximilian I to fulfill his wish to have choristers in the Imperial Chapel, the boys choir has attracted the finest musicians in the west such as Christoph Wilibald Gluck, Wolfgang Amadeus Mozart and Josef Haydn. The greatest prodigy, and without a doubt the most famous choirboy, was Franz Schubert, who sang as a choir boy from 1808 to 1813. In 1918, however, it seemed that the collapse of the Hapsburg dynasty and the dissolution of the Austro-Hungarian Empire would mean the end of the world-famous institution. Fortunately, Joseph Schnitt retained the chaplaincy of the Imperial Church and in 1924 he decided to re-found the boys choir. What he began as an experiment has grown to be an enormous success and the Vienna Choir Boys, as they were now called, began to embark on concert tours around the world.

Anyone who has seen the boys perform soon realizes the secret of their fascination: they have managed to combine the naivete of childhood with artistic maturity. Those who wish to be considered for entry attend a special preparatory school where they receive a thorough education with special attention paid to the theory and practice of singing as well as instruction on one musical instrument. At the examination, which the candidates take at the age of nine, musical ability is the decisive factor irrespective of creed and social standing.

Through their films, recordings, television appearances and tours, the Vienna Choir Boys have delighted

"THE ADVENTURES OF PETER RABBIT"

The Zeiterion Theatre's Saturday Youth Theatre Festival continues with "THE ADVENTURES OF PETER RABBIT", presented by The Gingerbread Players and Jack on Saturday, March 19th, at 10:30 a.m. and 12:30 p.m. Fairhaven Savings Bank is the sponsor of this children's classic production. General admission tickets are priced at $4.00 each. For more information on tickets and group packages call the Zeiterion Box Office at 994-2900.

Just in time for Springtime, The Gingerbread Players and Jack will enchant their young audience with the famous stories of Beatrix Potter. Filled with unforgettable melodies and bright lyrics, the company will bring to life the charming adventures of four rabbits, Flopsie, Mopsie, Cottontail and Peter who defy all warnings and go into Farmer McGregor's forbidden cabbage patch.

The Gingerbread Players and Jack have appeared at the Zeiterion Theatre numerous times. They presented "The Wizard of Oz" last October at the Theatre. A professional children's theatre company from New York City, they are dedicated to presenting shows that are as rich in content as they are lavish in costume and
